Dear Club,

Boobs, rack, mamms, cans, top cunts... there are countless slang words for my boyfriend's favourite part of a woman's body – her tits. Which is the reason why we got together I suppose, because mine are massive.

I met Charles in a beachside bar on holiday. Having just split up with my boyfriend, I needed to both drown my sorrows and score myself a good anger fuck. I was sitting on my own at the bar when this hunky bloke stepped up beside me and said, "Bourbon straight up, and make it a large one."

"That indicates you're feeling about as fucked-off as I am right now," I said to the guy. Then I extended my hand in greeting. "I'm Tiffany."

"Well hello, Tiffany," he replied. "I'm Charles, and to say that I am pleased to meet you would be a major understatement... oh and yes, I'm very pissed right now."

"Care to share?" I asked.

"Share what?" Charles replied.

"A booth, our problems..." I answered.

Charles didn't say anything. He was too busy staring at my boobs. "I take it you like them?" I asked.

He spluttered and said, "Wha... yeah, I mean... I'm sorry, that was really rude of me."

"Not at all," I told him. "In fact if you play your cards right, I'll share those with you too!"

To cut this part of the story short, in less

than an hour we were back at my holiday apartment, where I had Charles strip and let me tie a blindfold over his eyes. Then I guided him to a chair and sat him down on it. Back at the bar I'd instructed him that if he wanted to play my game he couldn't speak a word. He complied, apart from the occasional gasp and moan. Like when, seconds after I'd sat him blindfolded in the chair I'd squatted down in front of him, cupped his balls in one hand, and slid his cock between my lips.

Where I was blessed in the tit department, Charles was in the cock one. His was enormous – at least a fat nine inches long, and boy, did it get hard. To be honest, it was the biggest cock I'd ever had the pleasure of, and I couldn't wait to slide it between my tits. So, after sucking Charles's knob for a few minutes, I did just that.

I took off my top and bra, and cupping my

left boob in both hands, I said, "Open your mouth."

Charles responded immediately, so I started rubbing my red, erect left nipple across his lips. He groaned. Then, to hold it steady, I grabbed his head with one hand, feeding as much of my tit into his mouth as would go without choking him. "Breath through your nose," I said. "And suck."

My entire body went into tingle overload as Charles sucked away. I desperately wanted to finger my sodden snatch, but both my hands were occupied. It was time to take things up a notch. I pulled my tit from his mouth and straddled him. I positioned myself on the head of his rock-hard rod, eased it just a little way into me – then I suddenly dropped. As soon my cunt hit Charles' balls, he yelped. I sat there and squirmed my cunt in a circular motion on his bone. As I did so, I started

BOB YOUR HEAD!

Dear Club,

I know you were making a fuss about Nina's shaven pussy (*Club* Vol. 41 No. 1) – and lovely it was too – but it was her hair up top that lured me in. I'm a sucker for a bob on a girl, something how that fringe frames the face beautifully. The best blowjob I ever had from a girl wasn't the sloppiest or deepest, but one where the girl had a fringe and her face looked a picture as she went down on me. All of which is to say: more Nina, please!

Michael, Finchley.

Good call, Michael, we love a bob haircut on girls as well and don't think they're anywhere near common enough. And you're captured one of the essential elements of a blowjob as well – half the fun is in watching it going on (and going in!).

RACEY KACIE!

Dear Club,

2011 was a vintage year for Reader's Girlfriends, but Kacie (*Club* Vol. 41 No. 1) topped it off perfectly. She looks small enough to pick up and plonk right on the end of your cock, and she's such a dirty girl I bet she'd love that. I love it when your Reader's Girlfriends become proper glamour girls, so hurry up and get Kacie back in *Club* – preferably with another hot British girl!

Daniel, Ilkley

We bumped into Kacie at our recent Winter Wonderland party and can confirm she's knee high to a grasshopper but has all the sex appeal of 10 hotties. In fact, a couple of glasses of champagne and she's the funnest thing on two legs (also, she doesn't wear knickers when she goes out – ever!)

slapping my tits across his face. He gasped. Then I started gasping as I could feel the first of that night's orgasms rising from the depths of my pussy. Mere seconds before it hit me I rammed one of my tits in Chad's mouth and said, "Suck me! Suck me hard!" At that very instant I came, screaming.

When I'd regained my senses, I climbed off Charles' cock, which I'm glad to say was still stiffer than a flagpole. So I took off the blindfold and dragged him over to the bed. I lay back on it and told Charles to straddle me. I pushed both my tits together, then said, "Slide that gorgeous meat-stick between these babies."

His dick was still slick with my cunt juice, which enabled him a friction-free entry. I told him, "Now fuck my tits and spunk in my mouth." After what I'd already put Charles through I knew it wouldn't take long, and in less than 60 seconds of full-tilt tit-fucking he'd coated the inside of my mouth with his muck. Mmm...

We'd like Tess' daily...

Despite the fact that Tessa Taylor here is showing us her bits, we thought she looked the sweet and innocent type. And then she told us to check out some of the films she's in, and our jaws dropped (as did our jeans, in due course). Yup, Tessa does naughty things in films – in one clip we saw her employing dildoes that were about as long as Peter Crouch's legs. We don't know where she hides them – we only know that we really, really like watching her do it... ♠

No boys and no toys...

Without wishing to be derogatory, Vera and Alexa are a couple of right nymphos. You'd think putting them into a room to fuck each other would be enough but, no, we got a right earful from them because we didn't bring them any dicks to play with, and there weren't even any sex toys. When we pointed out that that was why tongues and fingers were invented, they shouted at us, kicked us out of the room and, funnily enough, did exactly what we suggested. Luckily for us all, they didn't kick the photographer out. We're just surprised he managed to escape these saucy sluts in one piece. Although he was wearing a rather enigmatic smile... ♣

PERSONAL ASS-ISTANT!

As the boss of a large office I've always tried to keep business and pleasure separate. Although I'm sure that most of the staff know I'm a lesbian, I don't discuss the subject and never bring girlfriends to any office parties. Over the years I've inevitably been attracted to some of the women that have worked for me but nobody turned my head as much as the new junior, Chloe. I just couldn't keep my eyes off her slim young body as I interviewed her last month.

She came into my office wearing a smart black suit with a low cut top beneath her jacket. I had to battle to disguise the fact that I was trying to make out the shape of her pert tits through the fabric as I bent over her. Looks weren't the only reason I decided to employ Chloe. She was also very smart. The first few days of her new job were hell for me. I simply couldn't concentrate whenever she was in the same room and felt like a silly girl with a teenage crush. I'd find any excuse for Chloe to work alongside me and after the first week it was generally accepted that she was to be my personal assistant.

Every day, Chloe would turn up for work immaculately dressed in the most beautiful clothes and I fantasised about stripping them from her body. Our relationship was very formal at first, Chloe would address me as

Ms Edwards and I can't tell you how much it turned me on. The whole boss and employee fantasy made me madly horny. Night after night I would think about her peachy arse bent over my desk and would play with myself dreaming about how I'd stick my tongue between her cheeks.

After a while I noticed Chloe never mentioned boyfriends and as we became more and more friendly I eventually asked her if she was romantically attached. "I've given men up after my last one two-timed me," she laughed, "They're so much trouble and are always such a disappointment." This came as music to my ears and although I knew it was a long shot, I wondered if she would be open to the possibility that a woman could give her what she needed.

One night I made an excuse to ask her to stay behind and help me put together some documents. I ordered some food and a couple of bottles of beer and when we had a break we sat down at my desk to eat. By this point we were quite good friends and Chloe began telling me about how she'd found her ex in bed with her friend. Her eyes started filling with tears as she recounted the events leading to the discovery. I couldn't resist slipping my arm around her shoulders to comfort her and for a second I worried she would think I was coming onto her. But to my delight she nestled her head against my chest as she wept quietly.

My nipples stiffened at the thought of her face being so close to my tits and I gently stroked her hair. It must sound like I took advantage of her, but when she eventually lifted her head to look at me I leaned closer to kiss her. Chloe didn't pull away as I'd feared, in fact she came towards me and a bolt of sexual excitement shot through my body. To my absolute delight she slightly parted her lips and began slowly kissing me back.

At the age of 35, I know I'm hardly a pensioner but I felt unbelievably aroused by the fact I was snogging a girl of only 18. Her skin was so soft and I gently reached up to stroke her face as I

slipped my tongue into her mouth. Slowly her kisses became more confident and she twisted her own tongue around mine as it explored her mouth. Heady with desire, I decided in a split second to push my luck further and lowered my hand to unbutton her blouse. When she didn't stop me, I slipped my hand inside and gently stroked her boobs through her cotton bra. Her small rosy nipples stood to attention and she made quiet gasping noises as I rubbed them, softly at first then increasingly harder.

I licked and kissed her long neck and nibbled my way down to her breasts. Slipping off her

bra straps, Chloe sat there showing off her gorgeous bare chest and I thought I'd pass out with excitement. She whimpered when my mouth eventually reached her taut nipples and I flicked my tongue across the surface. I took the whole nipple between my teeth and gently chewed it while kneading her flesh with my fingers.

"I've never done this before, Ms Edwards," she admitted nervously, but I was more than happy to share my vast experience. "Don't worry, you'll love it," I whispered, as I hitched up her skirt and found my way inside her lace panties. Her fanny was trimmed in a small neat triangle and her pubic hair was already damp with excitement. I slipped my middle finger between her lips and rubbed against her aroused clit. Chloe moaned and opened her legs wider to give me better access to her cunt and I pushed my finger deep inside her hole.

As I thrust it in and out, she reached out to touch my tits. She fumbled to open my jacket and shirt, then carefully stroked my heavy chest. I couldn't stop the groan that escaped from my mouth as her small fingers explored my boobs. As she grew more and more aroused she began squeezing and groping them harder, just the way I love. As she was still sitting

“Breathing in her sweet scent, I let my tongue do its work on her clit”

down I couldn't work very well on her clit so told her to lie over the desk. She obliged and I parted her legs to get a good look at her snatch. It glistened with juiciness and I couldn't wait to get my tongue inside. I teased her with my tongue, licking her thighs and labia. Then, breathing in her sweet scent, I let my tongue do its work on her clit. I ground a finger against her pulsating button while I explored her tight puckered arsehole.

I let my mouth wander from her pussy hole to her pink rose and circled her sensitive skin with the tip of my tongue. Chloe squealed in delight and clamped her legs around my face. I slowly stretched open her arse with my tongue and pushed it inside. While I was doing this, I worked away at her clit with my thumb and in a few seconds she started to cum. Her small frame shuddered with the power of the orgasm and I moved my tongue back and forth from her bum to her cunt as she wriggled in ecstasy. While she climaxed I reached between my legs and only had to bump my finger against my pussy a few times to bring myself off. I don't think

Chloe noticed my own whimpers, which were somewhat muffled in her fanny.

When I managed to release my face from between her legs, my office girl lay back on my leather-top desk, her legs flopping open in relaxation. From that day on Chloe officially became my personal assistant – in more ways than one...

HAVING A BALL!

I thought my friend Sally was joking when she suggested I hire an escort to accompany me to my work's annual ball. I'd phoned her to moan about my predicament and was angry because I thought she wasn't taking me seriously and was just taking the piss.

I'd recently been promoted and had moved hundreds of miles away from my hometown to work in a new office. After a few difficult weeks, I was beginning to feel quite lonely and the thought of attending a party alone made me feel even more miserable. But Sally insisted her idea would solve my problem. "My mate from work did it once when she fell

out with her boyfriend," she said. "She hired a really cute bloke to take her to a party her boyfriend was going to and he ended up so jealous that he begged her to take him back." But I wasn't so sure, "I don't know if I've got the nerve Sally. I'd feel as if everyone knew I'd had to buy a date and anyway, isn't it like paying for a prostitute?" "Not exactly," she said, "You're just paying for the convenience of having a gorgeous bloke at your beck and call. But I have heard some escorts decide to go further if they really like their clients. I think you should go for it, you've got nothing to lose," she said.

I turned the idea over in my mind for a few days but a week before the party I decided I had no other option. The girls in the office were all bragging about their partners and discussing their outfits. I'd never been short of a bloke when I was living at home and was mortified to think people would think I couldn't get a date. And although I'd have preferred to just make my excuses and not turn up, I knew I had no choice because the boss was planning to introduce me to lots of important contacts. So after a couple glasses of wine, I plucked up some Dutch courage and phoned an escort agency from the small ads in the paper. Once I'd done the deed, I actually started getting really excited about the whole thing. It felt so dangerous and I

“I stroked the end of his cock up and down the length of my juicy slit”

liked the thought of paying a man to look after me.

For the next six nights, I lay in bed imagining what he'd be like and if he'd offer me more than just his company. On more than one occasion I ended up getting so horny about this mystery date, that I couldn't help reaching under the covers to play with myself. And even when I was getting showered on the evening of the big bash, I found my fingers wandering down to my begging pussy. I used the powerful, warm jets of water from the showerhead on my buzzing clit and brought myself off twice – all the time fantasising about the dirty things my date would do to me.

Alistair was even sexier than I could have imagined – and it was uncanny how close he was to the way I'd pictured him. He was tall, with brown wavy hair and a great physique. I felt my stomach flip when he kissed me on the cheek and led me into the foyer of the hall, where most of my colleagues were now gathered. I saw my female workmates exchange glances when they spotted Alistair and I proudly introduced him to everyone. I'd

had a couple of large gin and tonics before leaving the house so the alcohol had taken the edge off my nerves and I was ready to make the most of the night.

Alistair and me got on really well and I almost forgot I'd paid for his company because we were so relaxed together. At one point when we were laughing he hugged my shoulders lovingly but I tried not to get my hopes built up – imagining he was just doing his job. But when we started dancing closely towards the end of the night, I felt a bulge in his trousers as we brushed against each other. I knew that couldn't be an act and leaned closer, rubbing my pelvic bone against his crotch. His dick grew stiffer and I could make out its generous length through his trousers. I felt my panties dampen with excitement when he started gently kissing my neck and I gasped with pleasure when he ran his tongue from my collarbone up to my ear. "Let me come home with you Laura. I want to give you even more than you've paid for," he whispered, taking my hand and guiding me towards the door.

My heart was racing by the time we

great for blokes) I started riding on his shaft. Alistair reached up and pulled down the shoulders of my dress so he could grab my big tits while I bounced away on his prick. He rubbed my nipples hard, which sent me even wilder and I leaned forward so I could feel his glans grind against my swollen clit.

As I screwed him on the floor of the hall, I caught a glimpse of myself in the wall mirror. I looked like such a slut, skewered on the cock of a male escort. But I was actually turned on by the sight so much so that I started to cum. Alistair held onto my boobs as I ground down hard on his thick cock and thrust himself into me when I started shuddering to my orgasm. The sensation flooded through my whole body, leaving me quivering in satisfaction.

Yet my fantasy would only be complete after Alistair was satisfied. "Wank on me, I want you

reached my house, I couldn't believe I was about to be fucked by a man I'd paid to have for the night. It felt amazingly dirty yet I loved the feeling of power and I was absolutely gagging for it.

I just managed to get the front door closed behind us, before Alistair threw me against the wall and started kissing me passionately. His prick was again solid and he seemed just as desperate to get down to business as I was. "Tell me what I can do for you, Laura," he said, groping my pert tits through my dress. I was dizzy with lust but I knew exactly what I wanted to do because I'd been dreaming about it for the last week. I pulled him to the floor and hurriedly unfastened his trousers, unleashing his swollen prick that stood proudly upright, desperate to be relieved. Looking back, I must have looked like such a tart, but at the time I didn't give a damn and my only concern was to get that

cock inside of me.

I scrambled out of my soaking lace knickers, hitched up my ball gown and squatted over Alistair's throbbing dick. "I'm going to ride you until I've milked every drop of cream from your balls," I told him. He groaned in anticipation as I stroked the end of his cock up and down the length of my juicy slit, allowing my wetness to drip down his veiny shaft. Then, after a few tantalising minutes, I eased the tip into the entrance of my tight, warm snatch. Slowly, I slid down his pole, allowing my cunt to swallow the entire length of his cock. Alistair let out a deep groan, "Jesus that's good, your cunt is so tight," he moaned.

The girth of his prick seemed to stretch my little pussy further than it had gone before and the sensation drove me wild. Clenching my fanny muscles as much as I could (which always makes me horny and seems to be

to cover my tits in your spunk," I begged, lying back on the carpet. My lover didn't need persuading. He kneeled over my head and his wrist jerked furiously as he wanked his foreskin back and forth. I took hold of my tits and pushed them together, desperate to feel the warm stream of cream on my nipples as Alistair shot his muck.

His eyes scanned my slender body as he tossed himself off and after a couple of minutes I sensed he was about to cream. I opened my mouth, keen to catch a few drops of his jizz. Alistair moaned loudly as his balls released their salty spunk. Streams of the stuff squirted over my massive tits and I even managed to gulp down a mouthful before he collapsed on the floor next to me. I lay there rubbing the sticky cream into my soft skin for a long time after he left, taking with him the pay I'd left on the hall table.

Purple penis eater...

Eve Angel, or Eva Shine as she sometimes calls herself (these porn stars!), isn't just a glamour legend, she has a rep for giving one of the best blowjobs in the world – even if she stubbornly refuses to do it on film anymore. She's been girl only for yonks after starting out her career with DP's.

"I got that out of my system early," says Eve, "but don't think I still don't love cock. I fuck as many as I ever did, and I still treat every one of them to a deep, lavish, long and very sloppy blowjob. My current thing is deepthroating then snaking my tongue out over a guy's balls. They go crazy and shoot more jizz than ever!" ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

RAM REMS!

Ram-Raids are a popular way for the criminal fraternity to bust through the doors and windows of places they want to shake down, but a group behind the recent robbery of an Apple Store in Temecula, California, made a few basic errors. They ploughed a BMW X5 SUV through the doors, three men hopping out to nab a load of iPhone 4's (ignoring the much more expensive Macbooks, for some reason). Police reviewing the footage could clearly read the license plate, but didn't even need to, as the plate came off during the escape, the BMW catching a flat in the glass as well and being abandoned nearby. Police then found a suspect walking by a nearby mall, the keys to the BMW – of which he was the registered owner – in his pocket. How not to Ram-Raid, in other words.

THE SELF-ARRESTING CRIMINAL!

A strong contender for most stupid criminal ever is Alabama man Jerry Lee Washington Jr. Washington was probably in the process of robbing the house of Joey Buchanan, when the family returned to find his car parked in their drive. Washington, hiding in a bush, ran to his car, Buchanan's grandfather opening fire at the motor but missing. Buchanan was injured by Washington's car, but the thief decided, for reasons we can only speculate on, to later drive to the police station to file a complaint about damage to his car. He was arrested immediately. "Some people aren't as bright as they think they are," Buchanan commented, accurately.

I confess, I'm a very stupid cunt

ADVENTURES IN BABYSITTING!

And now we turn to mother of the year, with Laurie Lee Kelly of Mesa, Arizona, throwing her hat in the ring. Kelly, 43, took her daughter with her to a local park and bought two homeless people beer in return for looking after her six-year-old daughter. Kelly, a teacher's assistant, then disappeared and was later found in the park with a man – she's alleged to

have had sex with two men while her daughter was in hobo paradise for four hours. Kelly described herself as being in a 'manic sexual rage' and she 'needed to have sex'. Luckily for her, the transients turned out to be decent babysitters. We reckon she won't be going back to that day job.

Best Mum in the World Mug-shot!

ATTIC ANTICS!

When Rock Hill, South Carolina woman Tracy heard noises in her attic (or loft, as we'd have it) then saw nails popping out of the ceiling, she thought there was a poltergeist in the house (we didn't say she was intelligent). It turns out it was her ex boyfriend, who she'd split up with 12 years earlier, and who had been in prison. Released two weeks earlier, he'd made a home for himself in her attic, sleeping in the heating unit, and doing his number ones and twos in a number of plastic cups. He'd also rigged the ceiling vents in order to watch Tracy in her bedroom. He fled the scene and is still at large. Check your attic. ♠

JENNY ♣

Game of thrones...

We don't reckon *Club* girl of the year winner Jenny Laird got that chair in the DFS half-price sale, but to each their own. To be honest, even the shabbiest sofa found in a skip and reeking of Rothmans can be lifted to the ethereal when you plonk Jenny on it. She's got the perfect bum/fanny/boobs combo and she knows it. Seriously, you can keep your Mona Lisa, just give us a big old photo of Jenny's arse and its inviting, hypnotic hole. Oh, and if you want to write to her before her release, we'll forward on any letters. Just don't put any files in them... ♣

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

From the second Anna Friel lezzed off in *Brookside* – and fuck us, wasn't that a long time ago? – it was clear she was set for a stellar career. And she hasn't disappointed. She laid down a marker by romping starters in 1998's otherwise dreadful *The Tribe* on TV, but pretty much every film she's made since has featured at least part of her wonderful anatomy. Top bollocks in *Rogue Trader*, *Me Without You*, *Niagara Motel*, *Watermelon*, and the whole lot again in 2001's *The War Bride*. Those perky boobs got another airing in 2008's *Bathory*, and bringing us up to date, she's stunning in 2011's *London Boulevard* – swanning around in sexy underwear, slipping out the nips, and being everything we hoped she'd be. Except she's not our wife. Yet. ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ALL ABOUT EVIE!

I have a strange fetish, for a woman – I absolutely love watching my husband getting sucked off by other girls! Now you may think that this would be the last thing that a wife would want, to see her man getting blowjobs from anybody other than her – you'd think that it would make me jealous. But for some reason I find it an incredible turn on to watch him being sucked by another girl. Maybe it's because I get to watch his face – that look of anticipation as she first gets his cock out and starts to lick at the super-sensitive underside at the tip of it, then the near-rapture when her lips first open and he feels the warm embrace of her mouth around the head of his dick.

Or maybe I like watching her – the concentration as she works her magic, her head bobbing up and down rhythmically on his shaft, then the slight widening of the eyes as his first spurt hits the back of her throat, followed by the careful sequence of swallows

“Soon Evie was asking me how big John's cock was and even if he liked to fuck me in the arse”

as she deals with what he has given her. My husband, John, is always very generous in that regard, and sometimes the less-experienced girls can't quite manage it all, so have to let some dribble out from their lips and down their chin, which I find very sexy to watch. Then there are the dirty girls, who when they sense that he's about to shoot his load pull him out of their mouths and point him at their faces, let him coat their cheeks with his juice, and then innocently look over to me with my husband's cum running down their face – I find watching that even hornier.

Anyway, for whatever reason I just get really turned on watching my husband getting sucked off, so much so whilst I'm watching

I've always got my hand inside my panties stroking my clit, and after the girl has finished I always have to go to her and get her off with my fingers and tongue to say thankyou. Of course, watching me make another girl cum always gets John hard again even after he's had a blowjob, and as by now I'm the only one who hasn't had an orgasm we end up with him fucking me from behind whilst I bury my head between the girls legs and give her a final licking. There's nothing quite to match the feeling of a hard cock shafting me at one end, and my tongue probing deep in to a juicy pussy at the other, and with John already having cum once he usually lasts long enough to give me two or even three orgasms this

way, especially when he slips a finger in to my bum alongside his cock in my puss.

So it's a bit of a strange fetish, but it works for us, and of course John ain't complaining! Because I'm very much Bi myself, I don't have much trouble finding girls for us to play with – most of my girlfriends are Bi too, so are happy to suck John's cock if they know that they'll have me to get them off afterwards. So we usually manage this about once a month, and I thought that I'd share with your readers last month's session, because even by my standards it was a pretty damn horny one.

The girl was Evie, and she and I had made love alone a couple of times previously, after I'd met her at a gay club. I wasn't too sure if she was Bi like me, or actually more Lesbian. She was very pretty-girly in the way that she made-up and dressed – bright red lipstick with lots of blusher and dark eyes, and always in a dress or skirt, never trousers. Invariably there was pretty lingerie underneath, like a matching lacy bra and thong set in a flowery-pattern, combined with hold-ups and heels.

After the second time we'd made love back at her flat, I was lying in the bed beside her gently stroking her boobs in a post-orgasmic glow, when I told her that I was married. I was scared how she might react to this, especially if she really was gay, but I needn't have worried. She just smiled and told me that she'd guessed as much, and then started to ask me about John. Her questions started off innocently enough – how tall was he, what was the colour of his hair and so on – but soon she was asking me how big his cock was, whether he made me cum, and even if he liked to fuck me in the arse.

As I answered, I could feel Evie's nipples hardening to my touch, and a flush starting to

form over her cheeks and neck. Sure enough, when I let my hand trail down her tummy to between her legs, she was hot and wet again, even though I'd only made her cum about ten minutes earlier. I started to gently massage her clit with the pads of two fingers as I continued to describe to her all the things that John liked to do to me, like fucking my arse twice in quick succession, so that the second time he could watch his spunk from the first time being worked into a froth at my bumhole. It didn't take much of this before I could sense that Evie was almost there herself again, so I leant forwards and locked my lips to hers in a passionate kiss as I increased the speed of my rubbing at her clit, not even releasing her from our snog when she arched her back as she climaxed.

It seemed pretty clear to me after this that Evie would be up for one of our sessions, and the thought of watching this pretty girly with my husband's cock in her mouth had me on the edge of cumming just thinking about it. So the next time I went out with Evie, I warned John to be ready for us, and at the end of the evening told the taxi to take Evie and I back to my place, not hers. When she heard this, Evie said nothing, just smiled.

Back at home I introduced her to John, who when he saw Evie in her girly make-up and wearing a pretty little A-line frock looked like the cat who'd got the cream – he loves girls who look like girls, and always likes me to be made-up and in a dress. "I've heard so much about you," Evie said to him, and when John replied with the standard, "Nothing too bad I hope," Evie shocked us both by saying, "Well, I hear that you've got a big cock, and that you like having it sucked." John looked like he might explode, and I thought that I'd better

“The second time he could watch his spunk from the first time being worked into a froth at my bumhole”

help him out, so I walked up to Evie and put my arm around her waist, saying, "That's right. I don't suppose that you'd like to give John a little sucking, would you?" Evie just smiled back at me, said, "I thought that you'd never ask," then gave me a long kiss on the lips before stepping forwards and kneeling in front of John. She undid his trousers with what seemed like well-practised ease, and pushed them and his pants down to his knees in a single action. Having just watched us snogging, John was already well on the way to full hardness, so as I retired to the armchair to sit and enjoy the best view, Evie was already flicking her tongue around the tip of his cock and teasing it the rest of the way up.

My hand was down my panties before I was even thinking about it, and I could feel my clit already swelling and peeking out from its little hood down there, crying out for some attention. I duly obliged with my fingers, as I watched Evie open her lips wide and take John's now fully erect cock into her mouth for the first time. His face was a picture as she closed her lips around him and began to caress the head of his dick in her mouth with her tongue, one hand reaching up to cup his heavy balls and start to gently stroke behind them with her finger-tips. This girl is good, I thought, and sure enough her hand was soon

“All girls like to have their arseholes played with a little bit – it is so sensitive for us there”

reaching backwards to tickle at John's arse, something that few men can resist whilst having their cocks sucked.

Meanwhile my own fingers were busy between my legs too. Excited by the sexy sight in front of me, my clit was now fully exposed from its hood, and I was gently yet firmly massaging it in small circular motions with my fingers inside my panties, my skirt bunched-up over my waist. Knowing Evie's penchant for fine lingerie, I'd put on one of my best sets that evening, which I was now starting to regret as juices leaked copiously from my cunt and soaked through the thin silky material in minutes. Never one to miss an opportunity, I shifted my position to be slightly on one side, then reached round with my spare hand and slipped it under the little thong at the back. I pushed two fingers into my pussy from behind to get them fully wet, and then withdrew them and using my pussy-juice as lube started to probe at my arsehole. One finger slipped up my bum almost immediately, with the second following soon after, as soon as my arse had relaxed enough to let it in.

John's arse was also getting some attention, as Evie continued to tickle away at it whilst sucking with increasing vigour on his dick. Even as I felt my own orgasm approaching, I could sense that John wouldn't be able to

take too much of that, and sure enough I heard him call out, "I'm gonna cum, I'm gonna cum!" This should have been the cue for Evie to prepare herself for a mouthful, but she had other ideas, and just pulled her head back so that John's cock slipped from her lips, then directed it straight at her face as the first spurt erupted from it and splashed on to her cheek. At least five further spurts followed, which Evie directed by slight movements of the cock in her hand to ensure that her entire face got at least a dribble of cum on it, leaning forward so that even that last couple of weaker spurts caught her on the chin.

I watched all of this through the white heat of my own orgasm, the sight of John spunking on my girlfriend's face finally tipping me over the edge so that my arse clenched around my two fingers wedged up it, and the fingers of my other hand quickly pulled away from my now super-sensitive clit and pushed into my cunt – two or three or maybe even four fingers slipping inside as my pussy opened-up in the flush of my orgasm.

I came-round to see John slumping forwards, his hand on a chair to support himself, whilst Evie continued to kneel in front of him cupping his balls but watching me. John's spunk was still running down her face, little trails of it starting to form drips from her chin. She was smiling broadly, as she got up

from her knees and walked over to where I lay on the sofa. She bent down and kissed me fully on the lips. Kissing another girl is a sexy feeling at the best of times, but doing it when your husband's spunk is running down her face into your mouths as you snog is something else again, and even though I'd only just cum I started to feel pretty horny again, all the more so when Evie reached her hand down between my legs and gave my puss a gentle little squeeze. But again Evie had ideas of her own. "My turn," she purred, and knelt on the sofa beside me, bent forward over the arm of it. She reached behind and pulled up the hem of her dress over her back, revealing another surprise – no panties.

"Lick me," she instructed, and given what she'd just done for us I was happy to oblige. I wiggled myself behind her, and holding one of her perfect butt-cheeks in each hand began to probe at her exposed pussy with my tongue from behind. Evie reached back between her legs and began flicking at her clit with her fingers. As I came up for air with the taste of pussy ripe in my mouth, my hands gently parted her cheeks to reveal her little button of an anus between. I simply could not resist, and dipped my head forwards again to trace a circle around it with my tongue, before starting to quickly lap at it like a cat drinking milk. All girls like to have their arseholes played with a bit – it is so sensitive for us there – but for Evie it was obviously a particular pleasure-point. Either that or she was just plain horny, but in any case I'm only been rimming her for a

couple of minutes when her hand between her legs started to rub at her clit vigorously at great speed, and she suddenly called out and pushed back in to my face, clearly out of control in the middle of a monster-orgasm.

I glanced over to John, and was not altogether surprised that the sight of his wife getting another girl off by tonguing her arsehole had got him fully erect again. I couldn't let a hard-on like that go to waste, and as Evie had just shown herself to be so anally sensitive I knew just what to do with it. I beckoned John over, pointing to him to pick up the bottle of lube that we keep in a cupboard in the lounge for when we want to play in there. I took the lube from him and squirted a generous amount on to Evie's arsehole, then started to work it in with my fingers. Evie seemed no stranger to anal play, as she pushed back against my hand and allowed one of my fingers to enter her behind. I was preparing to add a second, but Evie beat me to it, reaching behind her to wiggle one of her own fingers into her arse.

The sight of Evie with two fingers in her arse, one of them mine and one of them her own, had John's cock bulging. So grabbing it

wasted no time in plugging the hole with the head of his cock. Because Evie was already relaxed, John slid in with ease, and with one movement the full length of his shaft disappeared up Evie's behind.

There's only one thing that turns me on as much as watching my husband getting sucked off by another girl, and that's watching him fuck another girl up the arse. Just like watching him being sucked, it's the combination of being able to watch the expressions on his and the girl's faces as his cock stretches her anus that gets me – the look of intense concentration on his as he strains not to cum too quickly, whilst on hers a look of almost amazement that something could feel so incredible as having a cock in her arse, especially if it is her first time. I never know whether to concentrate on his face or her face or just watch the glorious sight of my husband's cock sliding in and out of another girl's bum, but I nearly always end up facing her so that I can kiss her and hold her at the moment that she feels the hot spurt of John's cum inside her.

Which is what I did now with Evie, moving round in front of her to encircle her in my

with my free hand I led him up to Evie's behind, careful not to wank him as I did so for fear of making him cum. I positioned the tip of his member at Evie's bum hole where our fingers were embedded, then slipped mine out and pulled Evie's free. Her arse gaped open for a second as our fingers withdrew, and John

arms and kiss her firmly on the lips, hearing John gasp as he ejaculated inside her and Evie whimper into my mouth as her bum was filled with his hot juice. I held her and kissed her for a few moments longer, before returning to my previous position to watch John's cock slip from her arse as his erection subsided, a large trickle of spunk following behind it and dripping slowly from Evie's still gaping anus. What an incredibly sexy sight!

The three of us slumped on the sofa to recover, Evie and I continuing to kiss and fondle each other in front of John, not quite able to produce another erection so soon, but enjoying the show. Only when Evie manoeuvred me on to my tummy across her lap and started to finger my arse did I see his cock stir, and I knew by then just what he was thinking of doing with it...

RED ALERT! ♣

Lola and Susane are red devils...

Lesbian photo shoots are notorious for taking the longest out of all the shoots a snapper might have to do. Often, with a solo girl, she'll get a little too turned on and we'll have to stop (well, pretend to stop) while they bring out a dildo or resort to their fingers to bring themselves off. Then we crack on.

But lesbians like Lola and Susane don't really stop. It's one whole day of being carried away. To be honest, this was like two extremely horny girlfriends fucking the hell out of each other, and we just happened to be there with a camera. If we weren't there, they'd have been all up in each other's pussy anyway. Yep, these truly are the best photo shoots we get to do... ♣

BILLY-ONAIRE! ♣

Any chance of a loan until payday, love?

Billy is one of those annoying people who are so well off, they never have to work again. She didn't even invent anything, either. She married early to a very rich man, it all went south and she got half of everything from the 'bastard'. A nice bit of work.

So how does she fill her days. Well, bless her, she does a lot of charitable work, but also has a passion for porn that means she'll show her sweet parts to *Club* readers for gratis.

"I don't need money," she says, "but I do need to know that your readers are going to wank off over my pictures. Especially because it'll annoy my ex..." ♣

PADDLING DROOL! ♣

We go skinny-dipping with Adrienn...

Adrienn didn't get that killer, trim body just by having a high metabolism and eating pea shoots. No, she's a bit of a water baby. "I swim every day," she tells us, "for lots of reasons. I keep fit, it clears my mind and I can zone out of life."

That's great, Adrienn. Do you know why we swim? So that we can put on goggles and stare at girls like you under the water in your tight swimming costumes. And yes, that's also why we've banned from our local baths... ♣
